

# XI Workshop on Novel Methods for Electronic Structure Calculations

La Plata, December 16 and 17, 2024. Argentina

Dear colleagues and members of the COMPUMAT network,

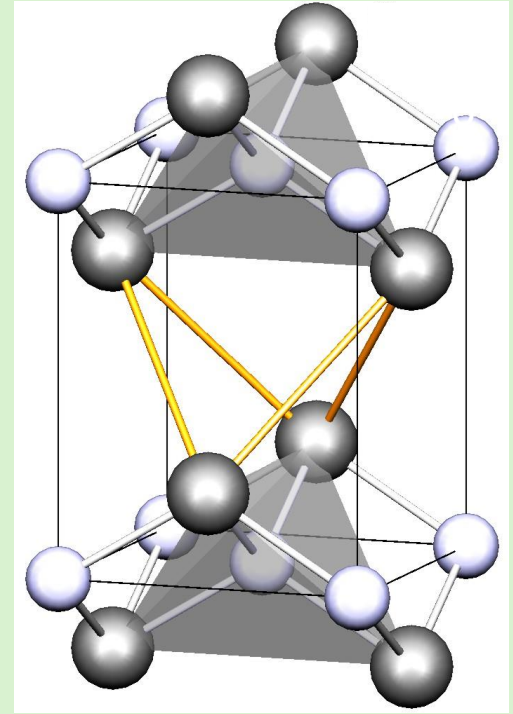

I am pleased to announce the 11<sup>th</sup> edition of the Workshop on Novel Methods for Electronic Structure Calculations.

The workshop will be held in the city of La Plata, Argentina, on December 16 and 17, from 9am to 5:30pm (Argentine time). The schedules of the speakers in their respective countries, will be within this period of time.

This edition of the workshop will be carried out completely virtual. The titles and summaries of the talks can be checked at the website of the congress:

<https://congresos.unlp.edu.ar/xiwnmesc>

The XI WNMESC will begin two days before of “At the Frontiers of Condensed Matter VII 2024 (FCM2024)” (<https://www.Argentina.gob.ar/en-las-fronteras-de-la-materia-condensada-vii>), where the initiative of Dr. Ana María LLois in the creation of FCM meetings will be commemorated. The workshop fully adheres to this celebration because Dr. A.M. LLois was also part of the generation of the workshops.

# XI Workshop on Novel Methods for Electronic Structure Calculations

La Plata, December 16 and 17, 2024. Argentina

The XI workshop will be free, however, registration is absolutely required (**before 30 of November**), the link of the website where you must register is mentioned above. This is necessary to participate in the talks.

The speakers confirmed so far and the schedule are located below this text.  
If you need to contact the organizers, you should do so at the following emails:

[eitelp@gmail.com](mailto:eitelp@gmail.com), [errico@fisica.unlp.edu.ar](mailto:errico@fisica.unlp.edu.ar), [sbramos@yahoo.com](mailto:sbramos@yahoo.com)

As in previous years, the workshop will overlap with the postgraduate course:

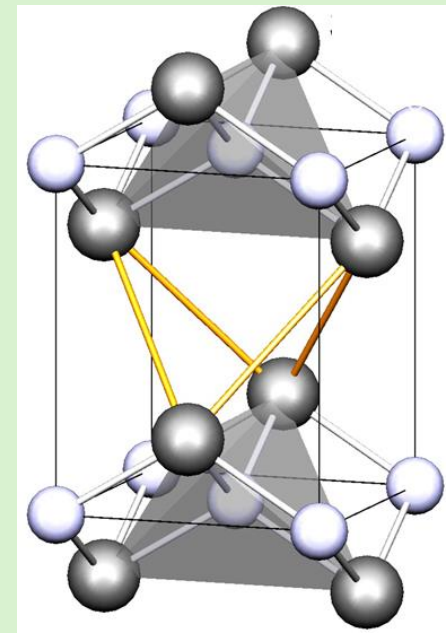

“Introducción a los métodos de modelado computacional en ciencia de los materiales”. The students of this postgraduate course will be considered as automatically registered to the workshop.

The talks will be projected in Room 205 of the Sergio Karakachoff Building of the Universidad Nacional de La Plata (48 street between 6 and 7).

We hope you can participate in the workshop, best regards.

Please feel free to redistribute this flyer.

Eitel Peltzer
